Something for the Pain (Apb Mix)

Zeromancer

Something for the pain
Inside me
That will never die
The pain inside me
That will never dieMy heart bleeds
Look at you
Hiding
All the things
To endure meI need you
Here with me
Breathing
Wanting you
To believe meSomething for the pain
Inside me
That will never die
The pain inside me
That will never dieI see you
In all of these faces
Blush with shame
When I think of youAnd your pale skin
I sell my soul for youHush Hush
Never enough
Never enoughThe pain inside me
That will never die
Something for the pain
Inside me
That will never die
