

All I Do Is Dream of You

[Emmy Rossum](#)

All I do is dream of you the whole night through
With the dawn I still go on dreaming of you
You're every thought, you're everything
Every song I ever sing
Summer, winter, autumn and spring
And were there more than twenty four hours a day
They'd be spent in sweet content, dreaming away
When skies are gray, when skies are blue
Morning, noon and nighttime too
All I do the whole day through is dream of you
I dream of you
When skies are gray, when there blue
Morning, noon and nighttime too
All I do the whole day through is dream of you
