

Success

Iggy Pop

Here comes success, here comes success
Over my hill, over my hill
Here comes success, here comes success
Well, here comes my car, here comes my car Here comes my Chinese rug, here comes my Chinese rug
Here comes success, here comes success In the last ditch, in the last ditch
I'll think of you, I'll think of you
In the last ditch, in the last ditch
I will be true, I will be true Sweetheart, I'm telling you, sweetheart, I'm telling you
Here comes the zoo, here comes the zoo Here comes success, here comes success
Oh, hooray success, hooray success
Here comes success, hooray success
Oh, oh, success, oh, oh, success I can't help myself, I can't help myself
I just a-got to, got to, got to, I just a-got to, got to, got to
I can't stand it
Got to, got to, got to, got to, got to, got to Here comes my face, here comes my face
It's plain bizarre, it's plain bizarre
Here comes my face, here comes my face
Out of the crowd, out of the crowd Sweetheart, I'm telling you, sweetheart, I'm telling you
Here comes the zoo, here comes the zoo In the last ditch, in the last ditch
Here comes success, here comes success
Here comes success, here comes success
I'm gonna do the twist, I'm gonna do the twist I'm moved, man, I'm wigged, I'm moved and I'm wigged
I'm crazy, I'm gonna, I'm gonna go crazy
And if you would maybe I would like, let's blast off Alright, baby, let's blast off, oh, baby let's blast off
Blast off on success, blast off on success
Oh, you slay me, oh, you slay me, baby, oh, you slay me, baby I'm gonna do the twist, I'm gonna do the twist
I'm gonna hop like a frog, I'm gonna hop like a frog
I'm gonna go out on the street and do anything I want
I'm gonna go out on the street and do anything
Oh, oh, shit, oh, shit
