He's Back (The Man behind the Mask)

Alice Cooper

You're with your baby
And you're parked alone
On a summer nightYou're deep in love
But you're deeper in the woods
You think you're doin' alrightYou heard a voice
Did you see that face
Or was it just a dream?It can't be real
That only happens, babe
On the movie screenIf you see him comin'
Get away if you can
He's a dangerous man
Throws a dangerous party, manHe's back
The man behind the mask
And he's out of controlHe's back
The man behind the mask
He crawled out of his hole
Just to rock and rollHe's going out tonight
Going to make his rounds to get his fill
Standing straight and tall
He's a ton of fun and he's dressed to killYou know you read he was gone
It was surely is him
But he's back on the prowl
Again and again and againDon't you know
He's back
The man behind the mask
And he's out of controlHe's back
The man behind the mask
He crawled out of his hole
Just to rock and rollYou know you read he was gone
It was surely is him
But he's back on the prowl
Again and again and againHe's back
The man behind the mask
And he's out of controlHe's back
The man behind the mask
He crawled out of his hole
Just to rock and rollHe's back
The man behind the mask
And he's out of controlHe's back

The man behind the mask
He crawled out of his hole
Just to rock and rollHe's back
The man behind the mask
And he's out of controlHe's back
The man behind the mask
He crawled out of his hole
Just to rock and rollHe's back
