Everybody Is A Star

The Pointer Sisters

Everybody is a star
Who could rain and chase the dust away
Everybody wants to shine
Who would come out on a cloudy day

'Til the sun that loves you 'round
When the system tries to bring you down
Never had to shine at night
You don't need darkness to do what you think is right

Everybody is a star
I can feel it when you shine on me
I love you for who you are
Not the one you feel, you need to be

Ever catch a falling star
Ain't no stopping 'til it's in the ground
Everybody is a star
One big circle moving 'round and 'round

Shine, shine, shine, shine, shine
Come on and shine, everybody shine
Shine, shine, shine, shine
Shine
Come on and shine, everybody shine
