

To Sir With Love

Diesel

Those schoolgirl days
Of telling tales and biting nails are gone
 But in my mind
I know that they will still live on and on
 But how do you thank someone
Who has taken you from crayons to perfume
It isn't easy, but I'll tryIf you wanted the sky, I would write across the sky in letters
 That would soar a thousand feet high
 To Sir, with loveThe time has come
For closing books and long last looks must end
 And as I leave
I know that I am leaving my best friend
 A friend who taught me right from wrong
 And weak from strong, that's a lot to learn
What, what can I give you in returnIf you wanted the moon I would try to make a start
 But I would rather you let me give my heart
To Sir, with loveIf you wanted the world, I'd surround it with a wall, I'd scrawl
 These words with letters ten feet tall
 To Sir, with love
