

Here's a Health to the Company

Sean Dagher, Richard Irwin, Nelson Carter, Nils Br

Kind friends and companions, come join me in rhyme
Come lift up your voices in chorus with mine
Come lift up your voices, all grief to refrain
For we may or might never all meet here again

Here's a health to the company and one to my lass
Let us drink and be merry all out of one glass
Let us drink and be merry, all grief to refrain
For we may or might never all meet here again

Here's a health to the dear lass that I love so well
For her style and her beauty sure none can excel
There's a smile on her countenance as she sits on my knee
There is no man in this wide world as happy as me

Here's a health to the company and one to my lass
Let us drink and be merry all out of one glass
Let us drink and be merry, all grief to refrain
For we may or might never all meet here again

Our ship lies at anchor, she is ready to dock
I wish her safe landing without any shock
If ever I should meet you by land or by sea
I will always remember your kindness to me

Here's a health to the company and one to my lass
Let us drink and be merry all out of one glass
Let us drink and be merry, all grief to refrain
For we may or might never all meet here again
