Test

Saro

Black tears there's no way I'm going back there
Tried extraction but still here
Your the chemical inside my veins, insideRefuge
Raining on you
When will it get better?
Nobody will answer meWell now I can see underneath that you're hollow
When you leave from the edge I know not to follow
I can your see you fortune falling
Your drowning from the inside
Drowning from the inside fall through
White fear
There's no way going back there
Tried detaching but your still here
Your chemical inside my veins, insideRefuge
Raining on you
When will it get better?
Nobody will answer meWell now I can see underneath that you're hollow
When you leave from the edge I know not to follow
I can your see you fortune falling
Your drowning from the inside
Drowning from the inside, are you?I can see your fortune falling
Your drowning from the inside
Drowning from the inside, are you?
When will it get better? x3
No one will answer meWell now I can see underneath that you're hollow
When you leave from the edge I know not to follow
I can your see you fortune falling
Your drowning from the inside
Drowning from the inside, are you?I can see your fortune falling
Your drowning from the inside
Drowning from the inside, are you? x3
