White Lies

My Dear Disco

Take youâ€™re time
Making sure and feeling everythingâ€™s secure
If you want her
Think about it
Though youâ€™ll never understand

I try to get it back
Again you take it away somehow
Holding nothing

So why canâ€™t you let me try
Say Iâ€™m holding onto lies
Just two rights to fall again

Oh, and time weâ€™ll think about it and go so wrong
Just donâ€™t go
Everything will just fall back in place I know
That time weâ€™ll see it right to be together
Just say so
I donâ€™t want to fall

Write it off
If itâ€™s worth it to you
At what cost will you give in
If you want her
Think about it
Though youâ€™ll never understand

I try to get it back
Again you take it away somehow
Holding nothing

So why canâ€™t you let me try
Say Iâ€™m holding onto lies
Just two rights to fall again

Oh, and time weâ€™ll think about it and go so wrong
Donâ€™t go
Everything will just fall back in place I know
That time weâ€™ll see it right to be together

Just say so
I donâ€™t want to fall

I try to get it back
Again you take it away somehow
Holding nothing

So why canâ€™t you let me try
Say Iâ€™m holding onto lies
Just two rights to fall again

Oh, and time we think about it and go so wrong
Just donâ€™t go
Everything will just fall back in place I know
That time weâ€™ll see it right to be together
Just say so
I donâ€™t want to fall

Oh, and time we think about it and go so wrong
Oh donâ€™t go
I donâ€™t want to fall

Wave byes
Save yourself tonight
And I canâ€™t let go
Say itâ€™s over
Say itâ€™s over

Wave byes
Save yourself tonight
And I canâ€™t let go
Say itâ€™s over
Say itâ€™s overâ€¦
