Two Sitting Ducks

Br. Danielson

Till the end of me
I'm gonna make you my priority
This coming holiday
I'm gonna make you my priorityLove the things you buy
I'm gonna make you my priority
Mark down this decree
I'm gonna make you my priority
Make you my priorityBut, but it's killin' me
But, but it's killin' meWhen you're falling down the stairs
Oh, oh, I'll be there
Dripping through your feeding tubes
Your, your food I'll chewYou can, you can count on me
You can, you can count on me
You can, you can count on meYou can count me out
I am outta here
Bye-bye, my dear
See me disappearOh, I can't stick around
Cause I'm on the move
With, oh, so much to do
So much to prove
That I'm gone, I'm gone
I'm gone, I'm goneDon't follow me down
There's work to be done
There's wars to be won
Plus conquering's fun
So I'm gone, I'm gone
I'm gone, I'm goneI'm cuttin' the cord
And I'm splittin' the board
I got nothing to lose
Except these old shoes
So I'm gone, I'm goneBirds of the air
What is it like to roam in the night?Restlessness sets on this sitting duck's nest egg
With promises melting and flooding this room
Failing to see if this sinking ship should sail
While gasping for air in your pool of perfumeI'm laying the law
You're taking me over
These days of bend overing
Backwards is done
And I'm gone, I'm gone

I'm gone, I'm goneWhy you still here
You should let go
Hey, you eavesdroppers
Should forever know
That I'm gone, I'm goneFolks in the fair
What is it like to roam the night?Restlessness sets on this sitting duck's nest egg
With promises melting and flooding this room
Failing to see if this sinking ship should sail
While gasping for air in your pool of perfumeYou need to go
Stop tracing my steps
There is ugliness here
And you deserve better
Be gone, I'm gone
I'm gone, I'm goneI'm so thirsty
Chaos is all spinning
My whirlwind of sob stories
Sweet routine, where have you gone
I'm gone, I'm gone
I'm gone, I'm goneI'm gone, I'm gone
I'm gone, I'm gone
I'm gone, I'm gone
I'm gone, goneTwo forgetful forgiving folks
Tear down the walls, thee walls, in us, us all
Two forgetful forgiving folks
Tear down the walls, thee walls, in us, us all
Two forgetful forgiving folks
Tear down the walls, thee walls, in us, us allSo, so, so
We, we weave our hands as one
Together we're gone
