Slow Country (Curtis Lynch Jnr. Mix)

Gorillaz

City life
Calling me all the time
Me and my soul
Geared to attack
Never get another chance
So what you doing
Gotta get money
Keeping me realCan't stand your loneliness
Can't stand loneliness
Can't stand your loneliness
Can't stand lonelinessShit night life
Been trying not to laugh though
You won't get money
From doing what you loving
I'm moving out of city
Victor of a second chance
Get a lot of problems
We kicked a lot of themCan't stand your loneliness
Can't stand loneliness
Can't stand your loneliness
Can't stand lonelinessCan't stand your loneliness
Can't stand loneliness
Can't stand your loneliness
Can't stand your lonelinessCan't stand your loneliness
Can't stand your loneliness
Can't stand your loneliness
Can't stand your loneliness
