

Take Me Back

Little Walter

Here we are
Where I wanted to be
Dancing soo close
I can feel your heartbeat
So say you were
Look into my eyes
All of the pain and the hurt
I caused it
I was a fool
Can't you see?
I played the game
Now I lost your love
[chorus]Take me back!
I beg you please
take me back!
I'm on my knees
I was wrong
And time can pass
I loved you forever
Take me back towards the end
Boy I'm sorry
If I wasn't true
It meant nothing
Cus he wasn't you
I took the risk
Now i'll take the blame
Without you boy
Nothing feels the same
One night of passion
Now two broken hearts
Baby say,
It's not too late[Repeat Chorus]
