

The Wrong Time

Spooky Tooth

Change is what she said
When she left me
I laughed as she ran
Cryin' out my door
Time has made me see
Misery has gotten to me
It's time I think to take her back
Once more
Cause it's the wrong time
The wrong place
The wrong way for me
To tell her that it's over
(Repeat)
Something's gotten in my way of livin'
Strange it seems each time I say goodbye
I think of all the good she did in givin'
And loneliness has made me realize
That it's the wrong time
The wrong place
The wrong way for me
To tell her that it's over
(Repeat)
