If I Ruled The World

Neil Diamond

ya know it's your boy i-y-a-z
and big time rush
if i ruled the world i'd throw all my money in the air like confetti
if i ruled the world every house got a dj and a backyard party
i break all the borders down, when i shake the ground
if i ruled the world i'd dream out loud
so everybody get up (up), up (up) outta your seats
kick off your shoes like you're down at the beach
jump up (up), up (up), up on the beat
singing ayo, ayo, ayo
up (up), up (up), outta your seats
be who you are love is all you need
all of us geeks, freaks, and wannabes
singing ayo
if i ruled the world
i would give it, give it all to you
give it, give it all to you
if i ruled the world
i would give it, give it all to you
give it, give it all to you
if you were my girl you'd never have to worry about another thing, no
'cause i'd rule the world and you'd be right next to me running the show
we'd throw every rule in the book out and bring down the house
if you were my girl we'd dream out loud
so everybody get up (up), up (up) outta your seats
kick off your shoes like you're down at the beach
jump up (up), up (up), up on the beat
singing ayo, ayo, ayo
up (up), up (up), outta your seats
be who you are love is all you need
all of us geeks, freaks, and wannabes
singing ayo
if i ruled the world
i would give it, give it all to you
give it, give it all to you
if i ruled the world
i would give it, give it all to you
give it, give it all to you

i'd be beating on my chest
i'm the king of the hill
iyaz and big time rush keeping it real
magic carpets
girl we'd go wherever
i ain't tryna run game
i ain't tryna be clever
girl i would be the king and you'd be the queen
going a hundred miles an hour
girl we runnin' the streets
if the cops ever try and pull us over
we'd tell 'em hey mister officer we owe ya
(hey ayo
if i ruled the world)
so everybody get up (up), up (up) outta your seats
kick off your shoes like you're down at the beach
jump up (up), up (up), up on the beat
singing ayo, ayo, ayo
up (up), up (up), outta your seats
be who you are love is all you need
all of us geeks, freaks, and wannabes
singing ayo
if i ruled the world
i would give it, give it all to you
give it, give it all to you
if i ruled the world
i would give it, give it all to you
give it, give it all to you
if i ruled the world
i would give it, give it all to you
(if i ruled the world)
give it, give it all to you
i would give it, give it all to you
give it, give it all to you
if i ruled the world
i would give it, give it all to you
give it, give it all to you
i would give it, give it all to you
give it, give it all to you
if i ruled the world
