Stand Tall

Dirty Heads

Say what you say I just sail away,
She can't stand me but I miss her face
I feel like drowning but the tides too low
And now I'm waiting for the undertow

[Chorus: x2]
So I, stand tall it gets a little better,
I see the wall we can break down together,
Stand strong, it's gets a little better now,
(We can break it down, yes we can break it)

Well I can only take so much,
Depression ain't gonna pressure us,
Oh, they came to watch us fall,
Oh yes, they came to watch us fall,
We will rise up against them all

[Chorus]

Pardon me if I'm too loud
Sing my song gonna sing it proud
No ones gonna bring me down
Gonna stand up strong gonna hold my ground
Tell me what are we fighting for
Change to do we done before
Tell me what are we fighting for (yeah yeah yeah)

Pardon me if I'm too loud
Sing my song gonna sing it proud
No ones gonna bring me down
Gonna stand up strong gonna hold my ground
Tell me what are we fighting for
Change to do we done before
Tell me what are we fighting for (yeah yeah yeah)

[Chorus: x2]
