

# Jordan Minnesota

## Big Black

This is Jordan, we do what we like  
This is Jordan, we do what we like  
Stay with me, my five year old  
Stay with me, play hide and seek  
Stay with me, my five year old  
This is Jordan, we do what we like  
And this will stay with you until you die  
And this will stay with you until you die  
And I will stay with you until you die  
And this is Jordan, we do what we like  
And this will stay with you until you die  
And this will stay with you until you die  
This will stay with you until you die  
And I will stay with you until you die  
Suck daddy, suck daddy, suck daddy, etc.
