

# Troublemaker

## Green Day

Hey!

You're giving me a heart attack  
You're giving me a cardiac arrest  
When I'm standing at the traffic light

Hey!

I wanna get inside of you  
I wanna crack your cranium delirium  
On the lower east side of your mind

Wanna be a troublemaker  
Wanna be a troublemaker  
Wanna be a troublemaker  
Wanna be a troublemaker

Hey!

I like your BMW  
I like your BM-excellent tits  
With a tattoo of a pig sniffing glue

Hey!

You're living at the w  
You're looking like a Jezebel, hot as hell  
Sunburned in a pink bathing suit

Wanna be a troublemaker  
Wanna be a troublemaker  
Wanna be a troublemaker  
Wanna be a troublemaker

Hey!

Yeah!

Easy come and go, gonna go it alone  
Knock yourself out with a shot of patron  
I wouldn't say I'm straight 'cause I'm bent out of shape  
From now till death do we party just before it's too late

Hey!

You're giving me a heart attack  
You're giving me a cardiac arrest  
When I'm standing at the traffic light

Hey!
