

I'm Gonna Change Everything

Jim Reeves

Yeah, I'm gonna change everything that holds a mem'ry of you, oh yeah
I'm gonna start with the wall stick the pictures off the wall and burn 'em
Move the chairs around take the window curtains down and burn 'em
Everything I see reminds me, you were here Yeah, I'm gonna change everything that holds a mem'ry of you, oh
yeah
The candle of your set you gave me on the night of my birthday
The records that you bought the hi-fi we loved to play
The decorating man will come and rearrange them Yeah, I'm gonna change everything that holds a mem'ry of
you, oh yeah
Take the carpet off the floor throw it out the door it's filled with tears
Everything I find that bring you to my mind must disappear
Every night I dream, I'll dream of someone new Yeah, I'm gonna change everything that holds a mem'ry of you
Yeah, I'm gonna change everything that holds a mem'ry of you, oh yeah
Oh yeah
