So Far Gone

James Blunt

Tell me the wars you're fighting
Behind the smile you're hiding
All of the things I know you want to sayWe tried our best to find us
But there are no lights to guide us
I can't sleep beside a stranger nowAnd piece by piece we fall apart
With every beat slows down my heartChorus
So I'll just say what you won't say
and I'll take the blame, if it is for your sake
No turning back on what you can't save
We're so far gone
Yeah, we're so far goneI've tried hard to remember
This prison cell used to be a shelter
Now we're just looking for the best way out
And I can't fight you anymore
You're already one foot out the doorChorus:
So I'll just say what you won't say
and I'll take the blame, if it is for your sake
No turning back on what you can't save
We're so far gone,
Yeah, we're so far goneAnd this is the face of letting go
And these are the things we already knowChorus:
So I'll just say what you won't say
and I'll take the blame, if it is for your sake
No turning back on what you can't saveSo I'll just say what you won't say
and I'll take the blame, if it is for your sake (for your sake)
No turning back on what you can't save
We're so far gone,
Yeah, we're so far gone
Yeah, we're so far goneSo I'll just say, what you won't say
