London Rain

Heather Nova

Youâ€™re wearing this mask and youâ€™re OK
You bury yourself when you say
The truthâ€¦
But finally you will

You hide behind an inner smile
When the one is passing by
And turns away

What am I to do now
Colors fade to grey
What am I to do now
In this London rain
This London rain

I just hear your name
Iâ€™m screaming it into this London rain
I donâ€™t look back
I donâ€™t react no more

So dead and lame
On my way through this London rain
I donâ€™t look back
I donâ€™t react no more

I just hear your name
Iâ€™m screaming it into this London rain
I donâ€™t look back
I donâ€™t react no more

So dead and lame
On my way through this London rain
I donâ€™t look back
I donâ€™t react no more

And still Iâ€™m waiting
For the one who is to blame
Still hesitating in this London rain
London rain
