

State Of Shock

Kip Anderson

Yeah, come on, baby
You gotta be mine 'cause you're so fine
I like your style, it makes me wild
You take it to me good, you like it, know you should
You get me on my knees, well, please, baby, please

Listen

She looks so great, every time I see her face
She put me in a state, a state of shock
Oh, do it, come on, baby
Come on, baby, come on, baby
She put me on my knees, please, baby, please
I know you like to tease, please, baby, please
You take it to me good, you like it, know you should
I love the way you walk and talk, baby, talk

Listen

She looks so great, every time I see her face
She put me in a state, a state of shock
She put me, state of shock
Come on, dear, no, come over here
Talk, talk to me, state of shock
State of shock
You put me in
You know I've really love you, baby
State of shock

You know I really want you mama
You got me paralyzed
You got me paralyzed
You got me catatonic
You got me catatonic, baby
State of shock

You got me supersonic
You got me supersonic, baby
Baby, try, you know I'm deep fried
State of shock

Yeah, look what you've done to me
Look what you done to me
Look what you done to me
Yeah, I can hardly move
State of shock

You know I need mouth to mouth resuscitation

Come on, baby

You know I've really loved you, baby

State of shock

You know I've really want you for me

Yeah, baby, yeah, baby

Just look at me, look at me

State of shock

You drive me

You call me, you call me

You call me in a state of shock

Look at that, look at me

Look at me, look at me

Look at me, oh, look at me
