

January Friend

Goo Goo Dolls

Reach for higher ground
About the way you look
Way you scream out loud
Mine, just like the last time
It's all the same to me, she said Let's pretend
My January friend
I'm wantin' you again
I wanna touch you
Every single heart that beats Pretend, my January friend
I'm wantin' you again
I wanna touch you
Every single heart that beats Cry, don't cry out loud
You've gotta bear your cross
But never think too loud
And you're tied, tied to the next time
You realize your crimes Let's pretend
My January friend
I'm wantin' you again
I wanna touch you
Every single heart that beats Pretend, my January friend
I'm wantin' you again
I wanna touch you
Every single heart that beats Time stood still, Monday morning, yeah
Showed me what I had to see
It's not the way I thought it should be, oh yeah You're my January friend
You're my January friend
You're my January friend
And every heart that beats pretend My January friend
You're my January friend
You're my January friend
And every heart that beats tonight's pretend
