

Knock Knock

Monica

It's funny how the tables turn turn turn
So upset
This that hot new
Yeah, new Monica It's funny how the tables turn, now it's you running after me
Didnt wanna spent quality time, didnt think I would ever leave
You got way too comfortable, now you say you want me in your life
'Coz I picked up all my shit and I'm moving in my new place tonight So dont you come knock knock knock,
stop knocking
Dont come knocking at my door
Ring ring ring, let the phone stop
I dont want you calling me no more Boy its a dangerous game to try and play a chick like me
Wanna go out and do your thang I will be out for ya count to three
So do just what you want, anytime that you really like
I put a payment on my place, you be sleeping alone tonight So dont you come knock knock knock, stop knocking
Dont come knocking at my door
Ring ring ring, let the phone stop
I dont want you calling me no more I used to be so gone, you were some one I could lean on
My life support system
And I thought I couldnt breathe ah ah
When you used to leave yep yep
I see you put yo clean on big chains gold teeth and yo gleam on
All night wanna be gone wanna tell me stay home like I got a ah ring on Now you say I'm not your wife, right
right?
So why should I be chillin'? Goodnight, goodnight
Now pack up my things for a flight
I got a place and fixed up nice
So dont come knocking at my door
I got company comin' around four, so whoa I dont want you calling me no more
knock knock knock, stop knocking
Dont come knocking at my door
Ring ring ring, let the phone stop
I dont want you calling me no more
Dont come knocking at my door
Dont come knocking at my door
Dont come knocking at my door
Dont come knocking at my door Changed my locks, took my things
Can't come in
Changed my locks, took my things
Can't come in

I dont want you calling me no more
