

Are We Really Through

Ray LaMontagne & The Pariah Dogs

Is the sun
Ever gonna break
Break on through the clouds
Shine down in all its glory? Onto me
Here upon the ground
'Cause I can't hear a sound
Sept' my own sad story I get so tired
A starin' at the walls
Weight so heavy
Mountain so tall Is there no one
Who would catch me
If I fall?
It's more
It's more than I can take
I wish that I could fake it
Or pretend like I don't know what's goin' on Somethin's wrong
Somethin's wrong
I'm tryin' to hold on
For just a little longer I get so tired
A starin' at the walls
Weight so heavy
Mountain so tall Is there no one
Who would catch me
If I fall? Can you hear me?
Can you see me?
Why is that so hard for you to do?
Don't dispel me, girl
Just tell me
Are we really through? Is the sun
Ever gonna break
Break on through the clouds
Shine down in all its glory? Onto me
Here upon the ground
'Cause I can't hear a sound
Sept' my own sad story Can you hear me?
Can you see me?
Why is that so hard for you to do? Don't dispel me, girl
Just tell me
Are we really through?

Are we really through?
