

# Caramel

Suzanne Vega

It won't do  
To dream of caramel  
To think of cinnamon  
And long for you  
It won't do  
To stir a deep desire  
To fan a hidden fire  
That can never burn true  
I know your name  
I know your skin  
I know the way  
These things begin  
But I don't know  
How I would live with myself  
What I'd forgive of myself  
If you don't go  
So goodbye  
Sweet appetite  
No single bite  
Could satisfy  
I know your name  
I know your skin  
I know the way  
These things begin  
But I don't know  
How I would live with myself  
What I would give of myself  
If you don't go  
It won't do  
To dream of caramel  
To think of cinnamon  
And long for you
