I'm A Diva

Lil Mama

Oh Please, Please No More Pictures!
You?re too kind! (Haaaa)
(Hey You!)
Loose the attitude, does my sassiness offend you!
I?ve got more class than a grade school, (ah ha-ha)
Couldn?t you tell (Haaaa)!
Buy the Fendi and Prada,
Dolce and Gabbana-Bana!
Now here?s the drama Mama!
Oh did you think that,
I just look like this,
I just look like this,
Can?t you hear the way I talk?
I?m sorry,
Did you think that?
I just look like this; I just look like this,
Did you hardly (really) catch my catwalk?
Because I?m a diva, (I?m a) diva, diva, (I?m a) diva,
I?m a diva, (I?m a) diva, diva, (I?m a) diva,
I was born like this; I was born for this,
It?s the way I?m a diva-diva!
(Hey You!)
In my shadow, does my sassiness upset you?
I rock the thang that?s closed, I am the newest boss!
Check out my pose! (Click, click, click!)
I got the Fendi and Prada,
Dolce and Gabbana-Bana!
Yes, I?m a Pre-Madonna!
Oh did you think that?
I just look like this; I just look like this,
Can?t you hear the way I talk?
I?m sorry,
Did you think that I just look like this?
I just look like this,
Did you hardly (really) catch my catwalk?
Because I?m a diva, (I?m a) diva, diva, (I?m a) diva,

I?m a diva, (I?m a) diva, diva, (I?m a) diva,
I was born like this; I was born for this,

It?s the way I?m a diva-diva!
(Hey!)
Oh, Can?t you see I?m so fly,
You look in sky, you might see my,
Jet go by, like did she buy that jet in sky,
Like My Oh My,
I think I like Lil? Mama,
Save that drama for your mama!
I think my papers got chaser,
?Urrender, Right behind ya!
Look me up in dictionary,
I?m sorry,
Can?t define and,
I?m like a folded blinda,
I?m like a folded blinda,
Drop girls, Drop down,
I?m behind ya!
Necklace, Bracelets, Select Honda,
Get my mind up, get my line up,
Get my time up, like that kind of,
Nah, I like that I am higher,
I am a D-I-V-A Baler! (Oh did you think that?)
I just look like this; I just look like this,
Can?t you hear the way I talk?
I?m sorry,
Did you think that?
I just look like this; I just look like this,
Did you hardly (really) catch my catwalk?
Because I?m a diva, (I?m a) diva, diva, (I?m a) diva,
I?m a diva, (I?m a) diva, diva, (I?m a) diva,
I was born like this; I was born for this,
It?s the way I?m a diva-diva!
I?m a diva, I?m a, I?m a diva,
(Can?t you hear the way I talk?)
I?m a diva, I?m a, I?m a diva,
It?s the way I?m a diva!
