Kissi Penny

Shudder To Think

"Get dressed", said the first cop to the major
"Who's in distress?"
"Some damsel with a canceled subscription to an ambulance
She climbed a tree on call and caught a branch mid-fall"Cheers
The truth, it wears sharp clothes
And so you cannot undress it
Mmm, a kiss on the mouth instead"Who's in distress?"
"Some damsel with a canceled subscription to an ambulance
She climbed a tree on call and caught a branch mid-fall"Cheers
The truth, it wears no clothes
And ooh, you cannot forget
Mmm, a little kiss on the mouth of a friend, to ya
