

# Half Right (normal)

**Elliott Smith**

You shouldn't talk to your yourself  
Well I pictured somebody else  
Someone that looks like  
What I look like Would you say that one of your dreams  
Got in you and ripped out the seams  
That's what I'd say  
That's what I'd say He was a sucker for your double dose  
Motherfucker turned white as a ghost  
Don't you say hi  
Don't you say hi With a broken sink for a face  
And a head that just takes up space  
He's not half right  
He's not half right It's already half past  
And it won't last I was sticking up for my friend  
When there's nothing much to defend  
It's a lost fight  
It's a lost fight Cause when I talk to you on the phone  
Well it's just like being alone  
It's not half right  
It's not half right
