Down town, Mini mouse is slippin Micky's in the famous grouse, while big bird spreads the word

Meanwhile, Snow White gets ready for work tonight, turning tricks with crystal tips.

Some phoney little ponies, preying on old and lonely, making friends, robbing them
The X men taught them everything.

While Tin Tin's been playing at Caesar's palace live on ice.
Babar Kumbayahs with the mighty Morphin movie stars, as big bird spreads the word
Anybody with a heart votes love.
