

Be My Lover (Salvatore Ganacci Remix Edit)

Inna

La da da dee da da da da
La da da dee da da da da
La da da dee da
La da da da dee da
La da da dee da da da da da Be my lover
Wanna be me lover I think I'm ready for you
You take my higher, get me to cloud 9
Going to the light
Yeah you can see what you want
It doesn't matter cause we shine tonight
I won't let you go So baby give me more
Don't let me dancing on my own
Yeah you can fool me on
And I can make your body flow
Cause you, you and I, I will run the show
In this moment you're all I want Hold me until the end of time
Cause we are written in the sky
Get close to my lips
Lock you up in my kiss
Tell me you will be mine tonight
You will be mine tonight
Be my lover Be my lover Now let me do it to you
You've got my heart beating like a truck
So your help is done
Yeah you can take all you want
Do what you like
Cause I'm all yours tonight
Love my potty ride So baby give me more
Don't let me dancing on my own
Yeah you can fool me on
And I can make your body flow
Cause you, you and I will run the show
In this moment you're all I want Hold me until the end of time
Cause we are written in the sky
Get close to my lips
Lock you up in my kiss
Tell me you will be mine tonight
You will be mine tonight
Be my lover Be my lover Be my lover Caught in a moment

It's just you and me
Where have you been all my life
Come be my lover and take me away
Touch me and turn up my heart Get close to my lips
Lock you up in my kiss
Tell me you will be mine tonight
You will be mine tonight
Be my lover Be my lover
Be my lover Be my lover
Be my lover
