Little Darlin'

Landon Pigg

Hello, little darlin'
Can't see why you're cryin'
Don't even know why you came by so soon
And I know that you love me
Remember that you left me
Why were you so afraid of the truth?
Now, no, no
Now, no, no
Hello, how you doing?
Hope I did not ruin any plans you had to pull me through
So sit down at my table
We'll talk about and label all the things you claim to be untrue
Now, no, no
Now, no, no
I see you driving out of town
I just hope some how (Ah) you'll be alright again. (Ah) I see you driving out of town
I just hope some how (Ah)we'll be alright again
Now, I told you right from the start
That I don't want to play the part of being the blame for a brokenhearted fool
And, now that I don't see you much
I wish that we had stayed in touch
I don't know what I would say or what you think I would do
Now, no, no. Now, no, no. Now, no. Now, no, no. Now, no, no
I see you driving out of town
I just hope some how (Ah) you'll be alright again. (Ah) I see you driving out of town
I just hope some how (Ah)we'll be alright again
