Paradise Gold

Savoir Adore

Can you wake me up?
I feel like I am dieing
Is it ever enough
Or am I still deniing
Our past is fading trough the glass
Is it ever enough
(Will we ever know? x2)
Let's get low
the future flows
Dreaming in colors unknow
My lips are rough
to your touch
Smoothing in paradise gold
Are you my future?
My future you are
Yeah yeah
Are you my future?
My future you are
Yeah yeah
My paradise gold
Yeah
Can you pick me up?
I feel the magic flying
It's just enough
To keep the smoke from rising
My eyes are tangled in the past
Is it ever enough
(Will we ever know? x2)
Let's get low
the future flows
feeling dimensions unknow
My lips are rough
to your touch
Smoothing in paradise gold
Are you my future?
My future you are
Yeah yeah
Are you my future?
My future you are

Yeah yeah
My paradise gold
Yeah
(...)
Are you my future?
My future you are
Yeah yeah
Are you my future?
My future you are
Yeah yeah
My paradise gold
