

# Don't Let Me Down

## Bad Company

If I had a love that was so true  
Then I wouldn't have to make do  
With the half a love that I have found  
That is tearin' me down to the ground  
Don't let me down, don't let me down  
Don't let me down, tell me love can be found  
If I had a love that was so real  
And who would know the way I feel  
I want all your love today  
Just to keep me from fading away  
Don't let me down, don't let me down  
Don't let me down, tell me love can be found
