

Got It All

MãªIÃ©e

Here's my address
It's just emptiness.
Here's a liar's story I'm about to tell.
Tragedy struck
And I've Run my luck
Now it's time to play the hand that i've been dealt

Don't try to walk away, Cause it's my day
You've got it all if you want it
You've got it all if you need it
You've got it all it's up to you

Chasing a lie
Til the true things die
You're a marching soldier through a blind man's eye
Take it or not
Just know what you've got
This cup is sweet and poisoned but your lips are dry

Don't try to walk away, Cause it's my day
You've got it all if you want it
You've got it all if you need it
You've got it all it's up to you (2x)

Don't try to walk away, don't try to walk away
cause its my day

You've got it all if you want it
You've got it all if you need it
You've got it all it's up to you (2x)
