

# Love Who Loves You Back (By Alexis Castro DJ)

## Tokio Hotel

What's underneath the moon and stars  
What's underneath our closed sweet hearts  
Hidin' what we want to share  
Take my hand, I'll take you there There's a call on you while  
There's a snake in your bed  
And it's telling you something (it says)  
Yeah I like it like that!  
When you're feeling lonely  
Go help yourself  
Do whatever you desire Go throw your arrows  
Hit her heart  
If they don't react,  
Love who loves you back!  
The perfect storm  
What turns you on?  
You can have all that  
Love who loves you back! Turn me on, turn me on, turn me on  
Turn me on, turn me on  
Love who loves you back!  
Turn me on, turn me on  
Love who loves you back!  
Turn me on, turn me on,  
Love who loves you back! What's real we have to scream to see  
Leaning closer next to me  
Count to three and lose control  
If you like it let me know There's a call on you while  
There's a snake in your bed  
And it's telling you something (it says)  
Yeah I like it like that!  
When you're feeling lonely  
Go help yourself  
Do whatever you desire Go throw your arrows  
Hit her heart  
If they don't react,  
Love who loves you back!  
The perfect storm  
What turns you on?  
You can have all that  
Love who loves you back! Turn me on, turn me on, turn me on

Turn me on, turn me on  
Love who loves you back!  
Turn me on, turn me on  
Love who loves you back!  
Turn me on, turn me on, Some are small, some are tall  
Some are born with it all  
Some are in it for the kill  
Some just do it for the thrill  
Archers aim your perfect mark and throw Throw your arrows  
Hit her heart  
If they don't react,  
Love who loves you back!  
The perfect storm  
What turns you on?  
You can have all that  
Love who loves you back! Turn me on, turn me on, turn me on  
Turn me on, turn me on  
Love who loves you back!  
Turn me on, turn me on  
Love who loves you back!  
Turn me on, turn me on,  
Love who loves you back!
