Livin' My Love

Steve Aoki

When I wake up, still drunk
got my shoes on my feet
Im hesitating to look at my computer screen
I live up on a cloud for the whole world to seeWe got that party pooper, head to toe
its going full of sass, straight down the throat
ganging money, coupon with note
two bad boys, them girls a fraudLMFAO, yo yo, LMFAO, yo yo
we stopped killing our buzz,
we party rock with youIm just living my
Im just living my
Im just living my love, love, love
why you killing my
why you killing my
why you killing my buzz, buzz, buzzIm not gonna play fair
if you dont play back
I dont wanna be a b-tch
but this game is w-ck
so get of my way
say whatever you say
Ill be living my love
living, livingSo you can be a hater
if it turns you on
do whatever you want
if it makes you feel strong
but you better down
cause this road is long
and ill be living my love
living, living
Ill be living my loveIm just living my
Im just living my
Im just living my love, love, love
(ill be living my love)Why you killing my
why you killing my
why you killing my buzz, buzz, buzzYo, I dont mean to stop you
but you might wanna pick up the name you just drop
Im like a helicopter, yeah you up in the building
but Im up on top ya
hey man, take this binaca
while i walk around the club

wanna fizz the vodka
a party rocker
a panty dropperShut up, whos laughing at your jokes
now, shut down
you should walk away
cause no ones laughing at your jokes
now, yes it shut down
you better hear me sayI, I, I
you better hear me say
I, I, I
go go go go go goive been living my love!Im just living my
Im just living my
Im just living my love, love, love
(Ill be living my love)
why you killing my
why you killing my
why you killing my buzz, buzz, buzz
(ill be living my love)Im just living my
Im just living my
Im just living my love, love, love
(Ill be living my love)
why you killing my
why you killing my
why you killing my buzz, buzz, buzz
