

# **Livin' My Love**

## **Steve Aoki**

When I wake up, still drunk  
got my shoes on my feet  
Im hesitating to look at my computer screen  
I live up on a cloud for the whole world to see  
We got that party pooper, head to toe  
its going full of sass, straight down the throat  
ganging money, coupon with note  
two bad boys, them girls a fraud  
LMFAO, yo yo, LMFAO, yo yo  
we stopped killing our buzz,  
we party rock with you  
Im just living my  
Im just living my  
Im just living my love, love, love  
why you killing my  
why you killing my  
why you killing my buzz, buzz, buzz  
Im not gonna play fair  
if you dont play back  
I dont wanna be a b-tch  
but this game is w-ck  
so get of my way  
say whatever you say  
Ill be living my love  
living, living  
So you can be a hater  
if it turns you on  
do whatever you want  
if it makes you feel strong  
but you better down  
cause this road is long  
and ill be living my love  
living, living  
Ill be living my love  
Im just living my  
Im just living my  
Im just living my love, love, love  
(ill be living my love) Why you killing my  
why you killing my  
why you killing my buzz, buzz, buzz  
Yo, I dont mean to stop you  
but you might wanna pick up the name you just drop  
Im like a helicopter, yeah you up in the building  
but Im up on top ya  
hey man, take this binaca  
while i walk around the club

wanna fizz the vodka  
a party rocker  
a panty dropperShut up, whos laughing at your jokes  
now, shut down  
you should walk away  
cause no ones laughing at your jokes  
now, yes it shut down  
you better hear me sayI, I, I  
you better hear me say  
I, I, I  
go go go go goive been living my love!Im just living my  
Im just living my  
Im just living my love, love, love  
(Ill be living my love)  
why you killing my  
why you killing my  
why you killing my buzz, buzz, buzz  
(ill be living my love)Im just living my  
Im just living my  
Im just living my love, love, love  
(Ill be living my love)  
why you killing my  
why you killing my  
why you killing my buzz, buzz, buzz
