

# It Tastes Good, Don't It?

## Guns N' Roses

I'm like a little big kid with a real big mouth  
And you're gonna have to catch me if you wanna wash it out,  
'cause I'll be standin' on the corner, callin' you names,  
With my juvenile skills and juvenile games 'cause I'm a fast motherfucker,  
Let me tell you 'bout it sucker,  
Said if you fuck with me, I'll fuck your mother,  
Your sister, too, and your best girlfriend,  
Then I'll line 'em up, and put 'em end to end,  
And then I'll put (stick) it in, I'll pull it out,  
I'll grab your face and then I'll cum in your mouth.  
It tastes good, don't it?  
It tastes good, HUH  
And you know it, OW!
