

# Country Boy

## Muddy Waters

Don't say I don't love you  
Because I stays out all night long  
Don't say I don't love you  
Because I stays out all night long  
You know I'm a country boy  
And I don't know what's going on  
Don't say I don't love you  
Because I will hold you on my arms  
Don't say I don't love you  
Because I won't hold you in my arms  
By me being country boy  
And I will always treat you right  
Don't say I don't love you, girl  
Because I won't never treat you right  
Don't say I don't love you, honey  
Because I won't never treat you right  
You know I'm a country boy  
I just love to stay out every night
