

Wake Me Up (Live At the Bedford)

Ed Sheeran

I should ink my skin with your name

And take my passport out again

And just replace it

See I could do without a tan

On my left hand,

Where my fourth finger meets my knuckle

And I should run you a hot bath

And fill it up with bubbles

'Cause maybe you're loveable

And maybe you're my snowflake

And your eyes turn from green to gray

In the winter I'll hold you in a cold place

And you should never cut your hair

'Cause I love the way you flick it off your shoulder

And you will never know

Just how beautiful you are to me

But maybe I'm just in love

When you wake me up

And would you ever feel guilty if you did the same to me?

Could you make me a cup of tea to open my eyes in the right way?

And I know you love Shrek

â€œCause we've watched it 12 times

But maybe you're hoping for a fairy tale too

And if your DVD breaks today

You should've got a VCR

Because I've never owned a Blue ray, true say

And now I always been shit at computer games

And your brother always beats me

And if I lost, Iâ€™d go across and chuck all the controllers at the TV

And then youâ€™d laugh at me

And be asking me

If I'm gonna be home next week

And then you'd lie with me 'til I fall asleep

And flutter eye lash on my cheek between the sheets

And you will never know

Just how beautiful you are to me
But maybe I'm just in love
When you wake me up

And I think you hate the smell of smoke
You always try to get me to stop
But you drink as much as me
And I get drunk a lot
So I'll take you to the beach
And walk along the sand
And I'll make you a heart pendant
With a pebble held in my hand
And I'll carve it like a necklace
So the heart falls where your chest is
And now a piece of me is a piece of the beach
And it falls just where it needs to be
And rests peacefully
So you just need to breathe
To feel my heart against yours now, against yours now

â€˜Cause maybe I'm just in love when you wake me up
Or maybe I'm just in love when you wake me up
Maybe I fell in love when you woke me up
