

Another Life

Hey Marseilles

Undertow, swimming out too slow
The rope line is a silent guide
That speaks reasons why you couldn't leave
The safety of a quiet lie The silence is easy
When the guests are all gone
The orchestra singing
The end of our song All I need is another life
Summer nights, spinning like a windmill
When we put the night on your windowsill
Next page, ready for a new start
Bent corners make up the bookmarks The silence is easy
When the guests are all gone
The orchestra singing
The end of our song All I need is another life
The silence is easy
When the guests are all gone
The orchestra singing
The end of our song
All I need is another life
