Homicidal suicidal
One time lover, all night raver
One time killer, two drug peddler
Homicidal suicidalHomicidal suicidal
Big time loser, big time boozer
Live and learn, let it burn
All time sinner, you're a winnerHomicidal suicidal
Big time loser, big time boozer
Live and learn, let it burn
All time winner, you're a sinnerOoh yeah!
Homicidal suicidal
One time killer, two drug peddler
You killed a copper, you killed a copper
You done killed the copper,
