

# Love Scene

**Tony Bennett**

Makin that scene  
Makin that love scene  
Got to be seen  
Makin that love scene A spot for two  
On stage with you  
Makin make believe  
Come true Singin that song  
Swingin that love song  
Together forever we belong  
Cant go wrong Makin that music more and more  
Taking encore after encore  
Makin that love scene  
Makin that love Singin that song  
Swingin that love song  
Together forever we belong  
Cant go wrong Makin that music more and more  
Taking encore after encore  
Makin that love scene  
Makin that love Makin that love scene  
Makin that love
