

# Good Old Cabbage Greens

## Washboard Sam

I'm goin' back south in New Orleans  
Get myself some of them cabbage greens  
Ooh, them greens, yes, them greens  
Oh, them greens, they call them cabbage greensI love my cabbage like a horse likes grass  
'Cause they is right in my class  
Ooh, them greens, yes, them greens  
Oh, them greens, they call them cabbage greensBeat it out, boy  
I love my cabbageGive me cabbage for my dinner, cabbage for my desert  
Oh, when I don't get my cabbage, boy, how it hurt  
Ooh, them greens, yes, them greens  
Oh, them greens, they call them cabbage greensMy wife woke up at night, hurts me in the side  
Says, "Get up here, Daddy, I've got yo' cabbage fried"  
Ooh, them greens, yes, them greens  
Oh, them greens, they call them cabbage greensWhen you give me greens and don't give me no meat  
Woman, you know that's one thing, knock me off my feet  
Ooh, them greens, yes, them greens  
Oh, them greens, they call them cabbage greens
