

Cometh to Me [feat. Isaac Serukenya]

Robert Kayanja

There is blowing the presence of God
There is a new river flowing from the heavens above.
All the windows of heaven are open for me.
There is a new cloud of glory falling i see.

Chorus

Favour cometh,
cometh, cometh to me
i am a child of the most high God
Joy cometh
cometh cometh to me,
i am a child of the most God
money cometh

cometh, cometh to me.
i am child of the most high God
