

# Headrest for My Soul

## AWOLNATION

There's a leak in this boat  
Someone toss me a rope  
And a headrest for my, headrest for my soul  
There's a leak in this boat  
How the hell will I float  
With this headrest for my, headrest for my soul  
I got a headrest for my, headrest for my soul  
Let the whispers unfold  
And darling do what you're told  
Headrest for my, headrest for my soul  
If the hospital burns  
If it's really my turn  
How the hell will I, how the hell should I learn  
There's a leak in this boat  
Someone toss me a rope  
And a headrest for my, headrest for my soul  
Give me that headrest for my, headrest for my soul  
You know I got a headrest for my, headrest for my soul
