God bless us everyone
We're a broken people living under loaded gun
And it can't be out fought, it can't be outdone
It can't be outmatched, it can't be outrun, noGod bless us everyone
We're a broken people living under loaded gun
And it can't be out fought, it can't be outdone
It can't be outmatched, it can't be outrun, noAnd when I close my eyes tonight
To symphonies of blinding light
God bless us everyone
We're a broken people living under loaded gunLike memories in cold decay
Transmissions echoing away
Far from the world of you and I
Where oceans bleed into the skyGod save us everyone
Will we burn inside the fires of a thousand suns?
For the sins of our hand, the sins of our tongue
The sins of our father, the sins of our young, noGod save us everyone
Will we burn inside the fires of a thousand suns?
For the sins of our hand, the sins of our tongue
The sins of our father, the sins of our young, noAnd when I close my eyes tonight
To symphonies of blinding light
God save us everyone
When we burn inside the fires of a thousand suns, ohLike memories in cold decay
Transmissions echoing away
Far from the world of you and I
Where oceans bleed into the skyLike memories in cold decay
Transmissions echoing away
Far from the world of you and I
Where oceans bleed into the skyLift me up, let me go
Lift me up, let me go
Lift me up, let me go
Lift me up, let me go
Lift me up, let me go
Lift me up, let me go
Lift me up, let me go
Lift me up, let me go
Lift me up, let me go
(And it can't be out fought, it can't be outdone)
(It can't outmatched, it can't be outrun, no)
Lift me up, let me goGod bless us everyone
We're a broken people living under loaded gun

And it can't be out fought, it can't be outdone
It can't outmatched, it can't be outrun, noLift me up, let me go
(God bless us everyone)
(We're a broken people living under loaded gun)
Lift me up, let me go
(And it can't be out fought, it can't be outdone)
(It can't outmatched, it can't be outrun, no)
