Trading Places

Usher

I know what you're used to
We're gonna do something different tonight
Now we?re gonna do this thing a lil? different tonight
You gonna come over and pick me up in your ride
You gonna knock, then you gonna wait
Ooh, you gonna take me on a date
You?re gonna open my door and I'ma reach over and open yours
Gonna pay for dinner, take me to see a movie
And whisper in my ear how bad you really wanna do me
Girl, now take me home and get up in my pants
Pour me up a shot and force me to the bed
I'm always on the top, tonight I'm on the bottom
?Cause we trading places
When I can't take no more, tell me you ain't stopping
?Cause we trading places
No, put it on me, baby, till I say, ooh, wee
And tell to shut up before the neighbors hear me
This is how it feels when you do it like me
We?re trading places
Gon' get it, get it, get it, get it, get it
Gon' get it, get it, get it, get it, get it
Gon' get it, get it, get it, get it, get it
We?re trading places
I plan on waking you up to a cup of Folgers
Pancakes and eggs, I owe you breakfast in bed, oh baby
And your orange juice sitting on a coaster
Toast on the side' baby, strawberry and grape jelly
You finished, let me get that drink
Pull the curtain from the window
Time to get up, baby
Let me make this bed up, baby
Today we going shopping blowing 30 on me
Make it 60, screaming like you really love me
Skip dinner and we gonna rent a movie
You order Chinese food right before you do me
You're coming on strong, baby, let me wash my hair
She said hurry up, then get in the bed
You get on top, tonight I'm on the bottom
?Cause we trading places

When I can't take no more, tell me you ain't stopping
?Cause we trading places
No, put it on me, baby, till I say, ooh, wee
And tell to shut up before the neighbors hear me
This is how it feels when you do it like me
We?re trading places
Gon' get it, get it, get it, get it, get it
Gon' get it, get it, get it, get it, get it
Gon' get it, get it, get it, get it, get it
We?re trading places
Wash the car, I'm gonna walk the dog
Take out the trash with nothing but your t-shirt on
I'm gonna press your shirt, gonna wrinkle mine's up
In the kitchen going crazy, we don't give a what
Where you want me?
Give it to me, baby, baby, babe
Oh, oh, oh, ooh, ooh, baby, baby, yeah
You get on top, tonight I'm on the bottom
?Cause we trading places
When I can't take no more, you say you ain't stopping
?Cause we trading places
Now we?re gonna do this thing a lil? different tonight
Trading places
Stay tuned for part 2, you've been me, I, I've been you
But we gonna switch this thing back, I'm a put it on your
