

(I Keep Thinking About) A New Thing

Field Music

I keep thinking 'bout a new thing
I've been trying to understand it
And find ways to persuade you
I don't want to simplify it
Eloquence is overrated
A pretty tool to neuter you But I'm wasting time
What good can I do?
I jump in the fire
Burn my feet and ask
If it's theoretically true The narratives are so familiar
A crush too much for pen and paper
A misquote from a science book
I can't accept your explanation
A blank page, blank cheque obfuscation
Played so dumb I can't bear to look But I'm wasting time
What good can I do? I keep thinking 'bout a new thing
I'm repeating 'bout a new thing
I keep thinking 'bout a new thing
I'm repeating 'bout a new thing
