# Trumpet Clip

## Paul Westerberg

Good substitute for inspiration, prostitutes and perspiration
Look don't touch
I think you ought to show me exactly what don't you want to be
Here that muchFast jump, everybody shouting
Come together
Fast jump, everybody punch
Up the air
Fast jump, everybody bummer
Here comes a sucker
Fast jump, when you gonna blow
Up a squareNew wave kiss in Susie's eyes pass me one of them lover's smiles
Look don't hump
I pin the tail on Demi Moore ring around the donkey core
You got skunkedFast jump, everybody clamor
Come together
Fast jump, everybody going
Don't you howl
Fast jump, you and you and your momma
Comes a sucker
Fast jump, when you gonna blow
Up I knowEveryone's a pit of love
Except I can't stop thinking about her underwear
I thought I had a damn good reason
One loss it don't make a season for the bearsFast jump, everybody clamor
Come together
Fast jump, everybody go
No, no, no
Fast jump, you and me mama
Come forever
Fast jump, when you gonna blow
Up the blockI give the world the slip
Can you dig my trumpet clip?
I give the world the slip
Can you dig my trumpet clip?
I give the world the slip
Can you dig my trumpet clip?
I give the world the slip
Can you dig my trumpet clip?
My trumpet clip

And I'm highMy description? You're my papillion addiction
Oh yeah yeah
Let's pin the tail on Demi Moore and ring around the donkey score
Yeah yeah yeahFast jump
Fast jump
Fast jump
Fast jump
Just like me to care and all
Yeah yeah yeah
